THE POWER OF ATTRACTION

**YOU'LL SUCCOMB TO THE IRRESISTIBLE MAGNETIC
FORCE OF YOUR OWN CURIOSITY.**

You'll be whisked away by a mind-blowing storm in **Chasseurs de Tornades**,
the only attraction of its kind in the world. Park World Excellence Awards 2022.

The show will sweep you along in a whirlwind experience, surrounded by the action
on a 470 m² circular screen with special effects and "live" scenes, all on a rising,
falling, tilting and turning platform.
Hang on tight! You'll come out all ruffled up, but you'll want to go back in...

You'll awaken the adventurer within, and become an astronaut in the **Destination Mars**
space training centre. With **The Extraordinary Journey**, you will fly around the world
with your legs dangling free.

The Raving Rabbids will take you on their crazy adventures, and you can even dance upside
down with robots.

You will enjoy a relaxing break in a giant cushion on the shaded lawns, and dare to take
a ride in **the Aerobar** for a drink with your legs hanging free, 115 feet up in the air...

As evening falls, you'll dream with your eyes open as you watch the new **evening show**,
The Key to Dreams. Evening show included in the price of admission!

You'll succumb to **40 irresistible attractions** and everyone will have their favourite.
